Class of 2003

Dedication

After graduating from Stonehill College with his associate's and bachelor's degrees, Officer John Lotti took the first steps in his remarkable career. Officer Lotti then went on to earn his master's degree at Anna Maria College. Ten years after joining the Weymouth Police Department in 1969, Officer Lotti was assigned to the Weymouth Public Schools as its first juvenile officer. He provided the first direct connection between the police department and the schools. Partnering with Officer James Bowen in the DARE program, Officer Lotti at first worked mainly in the parochial schools and at the junior high school. However, in recent years, Officer Lotti has been a familiar presence at the high school, as well. Officer Lotti will retire at graduation this year, hoping to spend quality time with his grandchildren. The Class of 2003 would like to express its gratitude to Officer Lotti and wish him the best of luck for the future.

Officer John Lotti

When John McPherson attended Weymouth High School, he was an all-star in football, basketball, and baseball. After graduating in 1957, he attended Northeastern University, where he was an All-American in both football and baseball. In addition, he set records at Northeastern which still stand today. In his last year of college, Mr. McPherson interned at Danvers High School, where he was also the assistant football coach. After graduating from college, Mr. McPherson taught briefly at Medford High School before joining the Weymouth High School staff as a physical education teacher and assistant football coach. When Weymouth High School was divided into Weymouth North and Weymouth South, Mr. McPherson became the head football coach of North High School and coached for fifteen great seasons. After he retired as head football coach, Mr. McPherson remained a physical education teacher until 2000, when he became a dean. Mr. McPherson will retire this year, and his sense of humor, especially his quick-witted comebacks, will be missed by students and faculty alike. The Class of 2003 wishes our dean, John McPherson, the best of luck in his retirement.

Class of 2003

Senior Class Officers

To the Class of 2003:

People still tell me that they cannot believe I was elected class president. Anyone who discusses high school elections as popularity contests needs only to review the circumstances under which I was elected to be proven severely wrong. As a relatively controversial figure in the Weymouth High School fabric, I have been faced with vocal objection and opposition to the manner in which I conduct class business, take unpopular stances on certain issues, and frankly and honestly address the class. It is quite amusing how much of an uproar a little honesty can cause. From day one, I have been subjected to supreme pressure to acquiesce to the wishes of others and abandon my convictions in favor of preserving tradition, but I am firmly convinced that to do so would be to turn my back on those who cast their votes for me with the hope that I would do things differently. This has not been easy and is only getting harder. I have been called a poor leader for refusing to comply with the wishes of some in higher authority. My only guess is that everybody has his or her own definition of what a leader should be, and I respect this. Those who sought a candidate who would do things differently certainly got their wish, and I hope that, in addition, I can live up to a standard of quality and set a precedent for classes to come. The past two years have been a unique and positive experience for me, and I sincerely hope that I have returned the favor to those who voted me in by living up to their expectations.

Sincerely,

Many observations could be made about the accomplishments of the 2002 WHS Football Team. Certainly that the team was the Carey Conference champion and, for the first time in school history, the league representative in the post-season tournament would have to be high on any list. But the paramount accomplishment of this past season was the focus that 52 young men displayed in coming together as a team and putting aside individual recognition for the benefit of the group.

In a season marked by numerous highlights, the game that stands out as a benchmark effort was the victory over Wellesley on a stormy Saturday morning, a game that ended a three-game losing streak and catapulted the team to a run of five consecutive victories that culminated with a shutout of archrival Walpole on Thanksgiving Day.

Derek and Scott lead the way

The Boys' Soccer Team started the season by shutting out Xaverian and Milton and then losing to Newton North and Needham. Following the 2-0-2 start, the team completed the regular season without a loss, finishing at 15-2-3. Captains Scott Winrow and Derek Losi contributed to team leadership and started priming the boys for the MIAA Tournament. Seeded fourth in Division One South, the team beat Natick by a score of 3-0 and advanced to the quarterfinals, where they beat Nauset 4-0. Peaking as a team, the Wildcats faced first-seeded Dartmouth in the semifinals. Weymouth held a 3-1 advantage until the last 20 minutes of the game. Dartmouth scored their second goal with 18 minutes left and tied the game with just seven seconds on the clock. The overtime period was short lived for Weymouth, with Dartmouth scoring just two minutes into the period. The season was over, but the team had a super record, finishing 17-3-3. The team has much to be proud of, and the seniors graduate with an overall three-year record of 55-6-8.

Hands up! What?

Catie goes for the goal.

The season was highlighted by a 2-1 victory at Framingham, which clinched a tournament berth; a 3-0 victory over Braintree on senior night, and a 1-0 tournament victory over Brockton, sealed when sophomore and league MVP Catie Whelan scored with just five seconds left in regulation play.

Weymouth will lose some outstanding players to graduation. Seniors include captains Liz MacIntyre, Erica Murphy, and Christine Madden; Therese Lefebvre, Julie Gregg, Lisa Thomas, Meg Griffin, and Courtney Murphy. Each played important an important role for the squad and will be missed. Congratulations are due to all the players for a successful season.

Through the woods we go!!!

Weymouth pride!!

Strong leading by Brendan Sullivan.

The Boys' Cross Country Team finished a surprising fall season near the top of the Bay State League, despite losing its top four runners from the 2001 season. Junior captain J.J. Prior won nearly every individual race he competed in during the league season, and he was closely followed by juniors Mike Clark, Alex Crombie, and Brendan Leonard. A surprising second pack also ememged, as Ricky Manderville, Brendan Sullivan, and Kyle Demeritt improved their times in nearly every race. Without a senior on the team, the Wildcats expected to be in a rebuilding mode, but with just three league losses, expectations were surpassed easily.

J.J. Prior

Leader of the pack.

The captains and the coaches.

"Follow the leader."

Led by captains Catie Markesich and Kelly Connolly, the Girls' Cross Country Team enjoyed a successful campaign, finishing with a 9-3 record. The team entered the season with high expectations. However, key injuries to All-Scholastic Catie Markesich and junior Melisa Demita dashed its hopes. Freshman All-Scholastic Becca MacDonald emerged as the new front runner. Senior Michelle Frazer and juniors Frances Devine, Kim Tose, Amy Connolly, and Samantha Lynch stepped up to ensure victories in several meets. Newcomers to the varsity, Kerry Hanson, Nicole Pearce and Samantha Sacchetti, all made valuable contributions. Coach Souke was extremely proud of the team,s performance.

Catie Markesich

"Great season, girls. You all worked very hard and I'm so proud of you. I'm just sorry that I couldn't be out there with you. Good luck next year!"

I can do it, I can get a hole in one!!!

Hmm… I wonder if it's going to go in?

The Golf team had a very successful year despite an 0-16 record. This years team was a mix of four or five very talented golfers, led by Senior Captains Ted Flukes and Jordan Zukowski. Both Flukes and Zukowski were wonderful captains and role models for the many young players on the team. Matt Swirbalus and Bucky Bertoni were two highly competitive sophomores that had very solid seasons and we expect to lead our young team for the next couple of years. With ten players who have seen varsity action, the future is looking bright.

Theodore Flukes

"The streak continues."

Jordan Zukowski

"Once again we did not win but still had fun doing it. It was a fun year and like it goes maybe next year you can win one for coach."

Wow, that was a good shot!

I made the shot no doubt about it!

This year the Girls' Volleyball Team kept the streak alive, qualifying for the state tournament for the fourth straight year. Led by tri-captains, Jenn Lowell, Katie Connelly, and Christina Sullivan, the team finished with a record of 12-8, at one point winning five in a row. The team was rounded out by senior, Ally O'Toole, and juniors, Amy Crespi and Vickey Walton. Despite losing to Brockton twice during the season, Weymouth drew Brockton in the tourney. Weymouth played the best game of the season only to come up short for the third time. However, this game showed the true spirit and determination of the 2002 team.

Please let this go over the net.

Jennifer Lowell

"This year has been really fun. Even though we didn't make it far, we did have an awesome season. I'll miss everyone and good luck next year."

The Dance Team had another great year. Over the summer they attended U.D.A Dance Camp at Mt. Ida College, where they placed first, giving the girls their fourth win in a row at this competition. This win gave the team an invitation to the Citrus Bowl in Florida and a bid to Nationals. The team performed at football and basketball games, as well as at numerous communirty events. Coached by Barbara Copell and led by Co-captains Lauren Mahoney and Suzie Rogerson, the team overcame injuries and adversity to dominate the Bay State League once again.

The squad also played extremely well in close home losses to perennial powers Brookline and Newton North. Senior Joe Donahue was named to the league all-star team, while classmate Billy Moore led the team in scoring. The Lady Wildcats of 2002-2003 finished with a record of eight wins and 12 losses. Many of the losses were by less than five points when the girls just couldn't seem to find the basket in the last stretch of the games. Erica Murphy, the lone senior on the squad and one of the tri-captains, made the Bay State League All-Star Team. Sophomore Kendall Carlson, the second leading scorer, made the second team of the Bay State League All-Stars. Weymouth was a very young team this year, and good performances are expected in the future from juniors Colleen Sinewick, Marie Chretien, and Tara Egan, sophomores Kathleen Kennerley, Jackie Peruzzi, and Jessica Peruzzi, and freshmen Erica Rate, and Lindsay Hay. The team hopes to have better results next season with some added experience for the younger players.

The team is off to a good start!

The Girls' Track Team capped off an exciting season with its first dual meet victory (against Braintree) in over four years. Despite a 1-5 record, the girls showed improvement in several events and can look ahead to a successful 2003 season, thanks to the return of many major contributors. Senior Captains Julie Gregg, Jennifer Costello, and Kelly Connolly will be sorely missed, as the three had great seasons. Julie Gregg qualified for the state Class A's in the 55 meter, 300 meter, and long jump. Other qualifiers were freshman Rebecca MacDonald and junior Frances Devine in the mile, and junior Sandra Canuto in the 300 meter. The youth of this team was accentuated by the seasons of eighth graders Samantha Sacchetti and Nicole Pearce, as well as underclassmen Erin Graham, Melisa Demita, Stephanie Kimball, Danielle Tower, and Jillian Schneider.

This year's Hockey Team, while young, showed great determination, desire, and discipline. Led by Captains Matt Murray and Chris Huxley and seniors Brian Mavilia and Joe Muir, the team played tough in the highly competitive Bay State League. This very coachable team improved as the season went on and, though overmatched, held their own against more experienced teams. The future looks bright with a varsity team that this year had four juniors, twelve sophomores, two freshmen and two eighth graders.

The team is expecting an extremely competitive and enjoyable 2003 season. Many players worked hard over the winter months, preparing for the upcoming season. They will miss those who graduated; however, they are a strong returning team.

Chris Breton returns behind the plate and Billy Moore returns in the infield. Glau DeJesus and Allison Day also had strong 200-meter finishes in the Bay State Meet, as did Captain Jackie Jordan in the javelin. Julie Gregg had success in the 100-meter, long jump, and triple jump events at the Bay State Conference and Class A Meet. With the top two singles and doubles players graduating last year, the 2003 season is a rebuilding year for the Boys' Tennis Team. Competition in Bay State League tennis is very strong, and almost every team is a larger squad with impressive talent. The Weymouth Wildcat Marching Band kicked off their 2002-03 season with their best band camp ever. With 60% new members this year, a new F.U.N. approach was adopted by the student leaders and band staff, and this made the season that much more productive and enjoyable. The Wildcat Band Road Rules Challenge was the theme at band camp. The group was divided into teams for various non-musical contests and activities. Blue Crush took home this year's title, allowing them the opportunity to put pies in the faces of the staff. While somewhat messy, these activities helped to provide the band and color guard with a sense of teamwork. Pride, Integrity, Excellence, and Spirit permeated the season, as the band helped bring the football team to the semi-finals of the MIAA Superbowl and brought home their own **GOLD** medal in NESBA, New England competition.

The band's momentum was fueled by the preparations for their second trip to Florida to participate in the Disney Magic Music Days Celebration and the Orlando All Star Music Festival. Between Mike Keough's musical arrangement of "More than a Feelin'," Rob Kintz's sweet trumpet solo on "Come Sail Away," and Jamie Callaghan's equally enticing vocals on "Carry On Wayward Son," the Wild Band definitely made a name for itself this year. The color guard took on new equipment, including sabers and rifles. The percussion line added eight new members, out of 10 total.

This year's seniors: Christopher Kelly (drum major), Jeffrey Cummings (president), Nicholas Bulens (section leader), Robert Kintz (section leader), Amanda Wright (mellophone rookie), Michael Sullivan (quad man), Jennifer Lindsay (section leader), and Michael Dobiel (jazz section leader) proved to be an amazing group of leaders. They really helped to establish a solid foundation for the future of the Wild Band. They will be sincerely missed next year.

The Concert Band, Jazz Band, and World Beat Percussion ensemble worked hard this year, as well. They performed in several concerts and at local civic events. Many of the same members make up these ensembles. Their hard work and dedication make the school band program the best on the South Shore.

Concert Choir

The Concert Choir is the major choral ensemble at Weymouth High School. Although the choir has been split into two periods, due to scheduling conflicts, it has still been very successful as a whole. This year's Concert Choir performed at the Winter and Spring Arts Night, as well as at Voices in the Night. The Choir also competed at a competition in Montreal, Canada, in which they came out on top. A variety of musical styles including Broadway, gospel, classical, folk, and popular music were performed this year. Under the direction of Ellen Brown, the choir has expanded its repertoire while improving its diction and voice quality. From this talented group, tryouts were held, and a number of students were chosen to be a part of this year's Select Ensemble. Although they form a smaller group, their sound, blend, and tone quality is amazing. Both the Concert Choir and Select Ensemble should be very proud of their accamplishments this year.

In its pilot year, the enthusiastic group met biweekly to establish a philosophy and a plan for the future. Through clothing drives, community concerts and fundraisers, the members hope to raise awareness and passion for tolerance in an intolerant world. This new organization has rallied a core of leaders who promise great opportunities for service projects in upcoming years.

Part of the American Computer Science League, the Weymouth High School Computer Team comprises 20 students. These students compete four times a year against teams from all over the U.S., Canada, and even from countries as far away as Croatia. The students are responsible for writing their own computer programs, as well as preparing for a written test containing three different computer-related topics. For the past seven years, the Computer Team has been invited to compete in the All-Star Contest, which takes place in May and involves the top 15 teams in the country. This year the contest will be held in California, and the team is once again hopeful of receiving an invitation.

This is a fast-growing extracurricular activity, and students are always encouraged to join.

Gay Straight Alliance

Last year Weymouth High School added a new after-school program called SAGES, more commonly recognized as the Gay/Straight Alliance. This organization provides a safe place for gay, straight, or bi-sexual students to talk about homophobia and the people or things that anger them. The group is confidential and no one has to be recognized as a member if he or she feels uncomfortable. Currently there are over twenty members. The group is completely student led, with one gay president, one straight president, a treasurer, and a secretary. Activities are conducted to raise money to spread awareness. This year the group held a coffeehouse and attended the Youth Pride marches. SAGES is now working on a documentary to spread awareness and promote tolerance of homosexuals. Some future projects may include a male fashion show, a school newsletter, and a battle of the bands. The group provides not only a safe place for students, but also a place to make friends.

On a more individual basis, the students not only helped others, but also learned more about themselves in the process of working within the community.

The entire team comprises over 20 students, yet only 10 are able to compete at any one competition. However, the non-participants are able to take the quizzes as practice tests. WEYMOUTH POLICE **D.A.R.E.** PROGRAM

WEYMOUTH, MA 02188
(781) 331-1111

To the WHS / VTHS Class of 2003, my second graduating class of D.A.R.E.,

It has been over 7 years since I had the great fortune of meeting each and every one of you when you were in the 5th grade. Your class has always stood out to me as the class with Respect, especially toward each other. I was able to follow your class through your years in the intermediate school, Junior High and now into High School and am very proud of each and every one of you.

A group of your classmates have the great distinction of recording our original D.A.R.E. song "DARE To Take A Stand" back when they were in the 7th grade, and it is internationally recognized today.

Now is the time in your life when you must make some big decisions about college, work, and your future. These decisions are difficult enough, but when you include dangerous, addictive drugs especially alcohol, marijuana, pills, or other drugs into your life all of these decisions and future goals could be destroyed. You have worked way too hard, and you are worth much more than that! You made a promise when you graduated from D.A.R.E. to your parents, your teachers, your community, to me, and especially to yourself that you would resist drugs and violence. Have you kept your promise? I hope so, because you are the most valuable person I know, and you mean more to our world than you can ever imagine. You are our future, never forget it. My wish is that when you look in the mirror each day you can truly feel proud of who you are and what you represent. Because of outstanding young people like yourselves, I truly believe that our future is looking bright ! Never forget the word "RESPECT", because if you respect yourself and your body, drugs will never be a part of your life, and if you are a drug-free person, others will respect you in return.

Wishing each and every one of you a happy, healthy, productive, and drug-free future ! You have made and everlasting impression on me, and I will never forget you !
I am very proud of you ! You inspire me !

Wishing the WHS / VTHS class of 2003 all the best !
All of my love and best wishes,
Your friend forever,

A Great Coach
A Great Teacher
A Great Friend
AND
A Great Person

"When I first started teaching, I was told many times by fellow teachers that one of the job's greatest benefits was having ex-students visit you and tell you how much they appreciated having had you as a teacher. When this occurrs, they said, you are able to clearly see how much of a positive difference you make being a teacher, and therefore you are able to more fully understand why being a teacher is one of the best professions an individual can pursue in his/her life. There is no doubt in my mind that those teachers were absolutely correct in what they said. However, the reason I wrote this note to all of you is so you unquestionably know how much I loved having you as students, football players, buddies in the hallways, etc. Having been given the opportunity to get to know you guys over the past years is most definitely one of the things I am most proud of in my life. (Hold on a second..... I think a teardrop just fell from my cheek. Yeah, whatever. I don't think so.) Anyway, I will seriously look upon the past years with all of you as some of the best years of my life, and I will use the memories of that time to pick me up when things might get a little rough."

Good Luck To All Of You And Best Wishes,
Your Friend
Matthew Steuterman

(Excerpt from a letter Matty wrote entitled "To W.H.S. Students Whom I Have Gotten To Know Over The Past Few Years." This letter was written in September of 2002, before Matty journeyed off to California.)
